### D927-TI Technical Insights - Power Supplies & Batteries

| Code    | Region | Existing Deliverables  | Posting Date |
|---------|--------|--|--------------|
| D00C-TI | WD     | Power and Battery Systems for Mobile Devices (Technical Insights)          | Dec-06       |
| D00F-TI | WD     | Emerging Battery Technologies (Technical Insights)                         | Sep-06       |
| D01B-TI | WD     | Power Supplies for Extended Battery Life (Technical Insights)              | Sep-06       |
| D647-TI | WD     | Photovoltaics- Global Technology Developments (Technical Insights)         | Jun-06       |
| D622-TI | WD     | Advances in Fuel Cells for Automotive Applications (Technical Insights)    | Mar-06       |
| D492-TI | WD     | Powerline Communications -- A Technology Analysis(Technical Insights)      | Dec-05       |
| D392-TI | WD     | Ultracapacitors--Global Trends and Developments (Technical Insights)       | Sep-05       |
| D382-TI | WD     | Fuel Cells for Stationary Power - Global Trends and Technology             | Jun-05       |
| D336-TI | WD     | World Advances in Microfuel Cell Technology (Technical Insights)           | Mar-05       |
| D338-TI | WD     | World Smart Batteries: Technology Overview                                 | Mar-05       |
| D316-TI | WD     | Advanced Plastics--Emerging Trends in Applications                         | Dec-04       |
| D314-TI | WD     | Plastics Design - Emerging Technology and Trends (Technical Insights)      | Dec-04       |
| D325-TI | WD     | Advanced Plastics--Fabricator Manufacturing - Technical Insights           | Oct-04       |
| D293-TI | WD     | Plastics Materials--Cutting Edge Technologies and Trends                   | Aug-04       |
| D289-TI | WD     | Advanced Energy Storage Technologies (Technical Insights)                  | Jul-04       |
| D261-TI | WD     | Fuel Cells: Power Source for Future Generations of Industrial; Healthcare; | Sep-03       |
| D226-TI | WD     | Stationary and Portable Fuel Cells: Developments, Markets, and             | Apr-01       |

### D923-TI Technical Insights - Power Transmission

| Code    | Region | Planned Topics  | Expected |
|---------|--------|---|----------|
| D08B-TI | WD     | Advances in Fluid Power Transmission Systems (Technical Insights) | Jan-07   |

| Code    | Region | Existing Deliverables   | Posting |
|---------|--------|---|---------|
| D663-TI | WD     | Advances in Motors and Motor Control Systems (Technical Insights)           | Jun-06  |
| D388-TI | WD     | Advances in Vector Control Technologies (Technical Insights)                | Dec-05  |
| D391-TI | WD     | Advances in Fieldbus Controlled Valves and Actuators (Technical Insights)   | Sep-05  |
| D350-TI | WD     | Advances in Servo Motors and Motor Drive Technologies (Technical Insights)  | Jun-05  |
| D378-TI | WD     | Advances in High Temperature Resistant Plastics for Use in Motors and Gears | Jun-05  |
